

Name \_\_\_\_\_ Date \_\_\_\_\_

## T-Notes

Before the trip to the Holtsville Ecology and Wildlife Center, you are to complete this chart. You may use the internet and nonfiction books to help. Notes may be taken in bullet form. You will use this information to add to your group project. This assignment is due by:

\_\_\_\_\_

My animal is: \_\_\_\_\_

<p>Location</p>	
<p>Habitat</p>	
<p>Description</p>	<p>Height: Length: Weight:</p>

You are also required to:

- locate this animal on a map (Let's try Google Maps!)
- upload at least 5 pictures you took during the trip into My Pictures. You will be using some of these pictures in your final group project.

My Map is due by: \_\_\_\_\_

My 5 pictures are due by: \_\_\_\_\_

Please sign the bottom of this sheet. Have a parent or guardian sign it also. Bring it back to school by

\_\_\_\_\_  
Thank you! It's going to be a great trip!

~~~~~

\_\_\_\_\_ will be required to take some pictures at the Wildlife and Ecology Center in Holtsville for use in a school project.
