

Name _____ Date _____

As you navigate from page to page on this website about the Wildlife and Ecology Center in Holtsville, I want you to listen closely to the information I share. See how many facts you can discover and write them below!

1. How many bears live in the Center?
2. What are their names?
3. Are you allowed to feed the goats?
4. What is the name of the bobcat?
5. What do turkey vultures do?
6. What are the Sicilian Donkeys' names?
7. What is the name of the bald eagle?
8. What is the actual name of the Ecology Center?
9. What did you notice most about the llamas? How many were there in the pictures?
10. How many pages are there in the site?
